

NEFSH Trauma Screening Questionnaire

How to Score NEFSH Trauma Screening Questionnaire

ACE Score

Items 1-10 will provide an ACE score. Each item is given a score of either 0 or 1. For items 1, 2, 3, 4, 5, or 8, if the answer to the question is “Yes”, enter a score of 1 in the box to the right of the item. For items 6, 7, 9, and 10, if the answer is “Yes” to either question or to both questions enter a score of 1 in the box to the right of the item. The total ACE score should never exceed 10.

Trauma Related Symptoms Score

Items 17 -25 provide a score indicating the individuals self-report of experiencing recent trauma related symptoms. For each item, if the answer to the question is “Yes”, enter a score of 1 in the box next to the item.

Total Score

The total score is the sum of all the item scores 1 to 25.
